

Spring Automotive Special

Should you keep your car? Fix what why? How much?

Free : No Obligation Automotive Consultation.

This is a free one on one appointment where we can address the automotive concerns of people in our local area, including potential repairs, large or small, or updates you have been thinking about making to your vehicle. No high pressure sales at Urgent Care, our goal is to educate. The customer defines the objectives of the consultation. We understand that your car is important to you. Cars provide us all with our freedom, secure transport and comfort. To many of us, our car is also a form of expression. We simply let you know how we can help and you decide.

What issues can be addressed?

An annoying squeak or rattle that has been bothering you for months. A window or door that squeaks or sticks.

Why does your car pull to one side when you apply the brakes? Do your brakes pulsate? Oil leaks? Water leaks?

Is your "check engine light" on or flashing? Can a worn, broken or torn seat be fixed?

What is a carbon footprint? How can you calculate what your vehicle's is? Will upholstery or carpet stains come out?

Do I need a new paint job or will touching up a rust spot and or a good buff and wax brighten up the paint?

What can be done about a cracked or broken windshield or window glass? Should I buy new, used or tinted Glass?

Which replacement parts for my car are the most logical and cost saving when purchased used?

How do I keep a new or almost new car looking and running that way? Can pet or smoke smells be removed?

Do we use Green or Hypoallergenic cleaning products? Synthetic Lubricants? Synthetic oil for new or used vehicles?

We can go over what it will take to get your car to a point that will satisfy your personal needs and comfort requirements whether you are trying to just get by safely for a few months at an affordable price or are a more particular customer who prefers top notch service. We offer many quality services that other facilities do not offer in one location including making your vehicle safe, making it more fuel efficient or faster, detailing, 24hr towing & emergency road service along with secure vehicle storage. At Urgent Care, multiple services can be done during one appointment. In addition, we offer affordable, on site vehicle rental or free local shuttle service by appointment whenever your vehicle is scheduled for services lasting more than one hour.
